

NEXTECH - 2017

ST XAVIER'S TECHNICAL INSTITUTE

Mahim, Mumbai 400 016

LAN GAMING:

Friday, March 10, 2017

Counter Strike 1.6

Each group consisting of FOUR members will play against another group to reach the finals and become the champion of Counter Strike

Credit: www.foamkingdom.webs.com

For LAN GAMING the two games are considered as separate and you are required to specify in which game you are participating in the registration form. If you are participating in both the games, separate registration forms are to be filled and submitted and the registration fees are to be paid for both

LAN GAMING:

Need For Speed NFS - Most Wanted

Each group consisting of FOUR members will play against another group to reach the finals and become the champion of NFS - Most Wanted.
